

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 25, 2019

Ms. Perla Bernal
City Secretary
City of El Cenizo
507 Cadena
El Cenizo, Texas 78046

OR2019-30228

Dear Ms. Bernal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 792007.

The City of El Cenizo (the "city") received a request for certain information pertaining to city employees and a specified customer list.¹ You claim the requested information is excepted from disclosure under chapter 552 of the Government Code.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Section 552.301(e) requires the governmental body to submit to the attorney general, not later than the fifteenth business day after the date of the receipt of the request: (1) written comments stating why the governmental body's claimed exceptions apply to the information that it seeks to withhold; (2) a copy of the written request for information; (3) a signed statement of the date on which the governmental body received the request or evidence sufficient to establish that date; and (4) the specific information that the governmental body seeks to withhold or representative samples if the information is voluminous. *Id.* § 552.301(e)(1). As of the date of this letter, the city has not submitted to this office the information required by section 552.301(e). Accordingly, we conclude the city failed to comply with the requirements of section 552.301.

¹ As the city has not submitted a copy of the request for information, we take our description from its brief.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Although you argue the requested information is excepted from disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
