October 28, 2019

Mr. Andrew Tatgenhorst
Counsel for Pampa Independent School District
Underwood Law Firm, P.C.
P.O. Box 164327

OR2019-30269

Dear Mr. Tatgenhorst:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 793070.

The Pampa Independent School District (the "district"), which you represent, received a request for information pertaining to a specified contract. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of AT&T and CNS.¹ Accordingly, you state, and provide documentation showing, you notified the interested third parties of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to

¹ We note, and you acknowledge, the district failed to comply with the procedural requirements of section 552.301 of the Government Code in requesting a decision from this office. *See* Gov't Code § 552.301(b), (e). Nonetheless, third party interests can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will address any third party arguments against disclosure of the submitted information, notwithstanding the district's violation of section 552.301 in requesting this decision.

submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from either third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude those parties have protected proprietary interests in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the district may not withhold any portion of the submitted information on the basis of any proprietary interest either third party may have in the information.

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”² Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). Accordingly, the district must withhold the account number in the submitted information under section 552.136 of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jahanna Ward
Assistant Attorney General
