

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 28, 2019

Mr. Carlos G. Madrid
Assistant County Attorney
El Paso County Attorney's Office
500 East San Antonio, Room 503
El Paso, Texas 79901

OR2019-30315

Dear Mr. Madrid:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 793372 (File No. 0488-19-PI).

The El Paso County Sheriff's Office (the "sheriff's office") received a request for all e-mails sent or received by sheriff's office employees during a specified period of time that include a specified phrase. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *See City of Ft. Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.). To demonstrate the applicability of this exception, a governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. Open Records Decision No. 562 at 10 (1990). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release

of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known). To prevail on its claim that section 552.108(b)(1) excepts information from disclosure, a law-enforcement agency must do more than merely make a conclusory assertion that releasing the information would interfere with law enforcement. The determination of whether the release of particular records would interfere with law enforcement is made on a case-by-case basis. Open Records Decision No. 409 at 2 (1984).

You seek to withhold the submitted information under section 552.108(b)(1). You state the information at issue “contain[s] law enforcement techniques for the monitoring of a specific event for public safety purposes.” You further state release of the information at issue “would permit private citizens to anticipate weaknesses in local law enforcement and assist wrongdoers in avoiding detection, would otherwise interfere with crime prevention and investigative techniques, and could potentially jeopardize officer safety.” Based on your representations and our review of the information at issue, we find the release of the submitted information would interfere with law enforcement. Therefore, the sheriff’s office may withhold the submitted information under section 552.108(b)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
