Assistant City Attorney
City of El Paso
P.O. Box 1890

Dear Ms. Schumacher:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 793961 (W063342-081619).

The City of El Paso (the "city") received a request for the ownership and adoption history of a specified dog. You claim the submitted information is excepted from disclosure under section 552.1177 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Act of May 25, 2019, 86th Leg., R.S., H.B. 2828, § 1 (to be codified as Gov't Code § 552.1177(a)). You assert the submitted information contains identifying information of

a person who obtained ownership or control of an animal from the city's animal shelter. You explain the city's animal shelter made a humane disposition of the animal at issue pursuant to a city ordinance. Upon review, we find the city must withhold the information we marked under section 552.1177 of the Government Code. However, we find you failed to demonstrate the remaining information consists of identifying information of a person excepted from disclosure under section 552.1177(a). The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
