ATTORNEY GENERAL OF TEXAS

October 30, 2019

Mr. Rene Flores
Assistant County Attorney
El Paso County Attorney's Office
500 East San Antonio, Room 503
El Paso, Texas 79901

OR2019-30599

Dear Mr. Flores:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 794392 (File No. OP-19-860).

The El Paso County District Attorney's Office (the "district attorney's office") received a request for its legal research contract. Although the district attorney's office takes no position as to whether the submitted information is excepted under the Act, the district attorney's office states release of the submitted information may implicate the proprietary interests of Thomson Reuters ("Westlaw"). Accordingly, the district attorney's office states, and provides documentation showing, it notified Westlaw of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Westlaw explaining why the submitted information should not be released. Therefore, we have no basis to conclude Westlaw has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent

disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the district attorney's office may not withhold the submitted information on the basis of any proprietary interest Westlaw may have in the information. As no exceptions to disclosure have been raised, the district attorney's office must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Debbie Lee
