Mr. Nicholas Toulet
Assistant City Attorney
City of Midland
P.O. Box 1152, Room 320
Midland, Texas 79702-1152

OR2019-31101

Dear Mr. Toulet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 802307 (Reference #M027995-092519).

The City of Midland (the "city") received a request for information pertaining to a specified incident. You state the city has released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, including section 773.091 of the Health and Safety Code, which provides, in part, the following:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). The information at issue consists of records of the identity, evaluation, or treatment of a patient made and maintained by emergency medical services personnel. Thus, section 773.091 is applicable to the submitted information. Therefore, with the exception of the information subject to section 773.091(g) of the Health and Safety Code, which is not confidential under section 773.091, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
