Mr. Robert Carroll  
Senior Assistant City Attorney  
City of Odessa  
P.O. Box 4398

OR2019-31118

Dear Mr. Carroll:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 802031 (Req. ID# P001290-092519).

The City of Odessa (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information consists a CR-3 accident report. We are unable to determine whether the requestor is a person listed under section 550.065(c). Thus, we must rule conditionally. If the requestor is not a person listed under section 550.065(c), then the submitted CR-3 is confidential under section 550.065(b). However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (c)(2). *Id.* Therefore, if the requestor is not a person listed under section 550.065(c) of the Transportation Code, then the city must withhold the submitted CR-3 under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. If the requestor is a person listed under section 550.065(c), then the city must release the submitted CR-3 pursuant to section 550.065(c) of the Transportation Code. *See id.* § 550.065(c).

If the requestor is not the legal representative of one of the individuals involved in the accident, the submitted CR-3 is confidential under section 550.065(b) of the Transportation Code and must be withheld under section 552.101 of the Government Code, but the city must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. If the requestor is the legal representative of one of the individuals involved in the accident, the city must release the CR-3 to the requestor pursuant to 550.056(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
