Mr. Alexander Garcia  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277

OR2019-31214

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 795817 (ORR# LMun1).

The Corpus Christi Police Department (the "department") received a request for records related to a specified incident. We understand the department will redact dates of birth of members of the public pursuant to the previous determination issued in Open Records Letter No. 2016-00831 (2016).<sup>1</sup> The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

---

<sup>1</sup> Open Records Letter No. 2016-00831 authorized the department to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision. *See* Open Records Decision No. 673 at 7-8 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information made confidential by the Medical Practice Act (“MPA”), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient’s behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982).* We have further found when a file is created as a result of a hospital stay, all the documents in the file referring to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” *Open Records Decision No. 546 (1990).*

Upon review, we find some of the remaining information, which we marked, constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that

were created or are maintained by a physician and information obtained from a patient's medical records. Accordingly, the department must withhold the marked information under section 552.101 of the Government Code in conjunction with the MPA.<sup>2</sup>

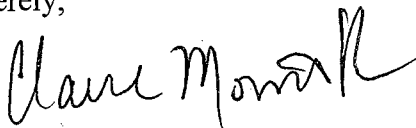

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Upon review, we find the department has not demonstrated any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the department may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

In summary, the submitted body worn camera recordings were not properly requested pursuant to chapter 1701 of the Occupations Code and they need not be released. The department must withhold the information we marked under section 552.101 of the Government Code in conjunction with the MPA. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Claire V. Morris Sloan  
Assistant Attorney General

<sup>2</sup> As our ruling is dispositive for this information, we need not address the remaining argument against its disclosure.
