

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 6, 2019

Mr. Jonathan T. Koury
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2019-31292

Dear Mr. Koury:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 798689.

The City of Bryan (the "city") received a request for information pertaining to a specified traffic accident. You state you will release some information. You claim the submitted information is not subject to disclosure pursuant to section 1701.661(c) of the Occupations Code. You also claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a) for one of the submitted body worn camera recordings. As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the remaining body worn camera recordings. Section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). The city states the remaining video recordings at issue consist of body worn camera recordings involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. The city states it does not have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the city must withhold the remaining body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.²

In summary, the submitted body worn camera recording that was not properly requested pursuant to chapter 1701 of the Occupations Code need not be released. The city must withhold the remaining body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹ As we are able to make this determination, we need not address your arguments against disclosure of this information.

² As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
