Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 795848.

The Irving Police Department (the "department") received four requests from different requestors for specified information related to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.1085 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the first, second, and fourth requestor do not give the requisite information under section 1701.661(a). As these requestors did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). However, we find the third request includes the information required by section 1701.661(a). *Id.* § 1701.661(a). Accordingly, we find the third requestor properly requested the body worn camera recordings at issue and we will address the department’s arguments against their disclosure.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 of the Government Code encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Act of May 14, 2019, 86th Leg., R.S., H.B. 1760, § 4 (to be codified at Fam. Code § 58.008(b)); *see also* Fam. Code § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22, 2017 Tex. Sess. Law Serv. 3173, 3187. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). We find the submitted information involves a juvenile offender, so as to fall within the scope of section 58.008(b). We note, although the juvenile whose information is at issue is deceased, section

¹ As we are able to make this determination, we need not address your arguments against disclosure of this information.

58.008 is not solely intended to protect the privacy interests of juveniles. Thus, a juvenile's death does not remove information relating to the deceased juvenile from the ambit of section 58.008(b). It does not appear that any of the exceptions in section 58.008 apply; therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.²

In summary, as the first, second, and fourth requestors did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released to these requestors. The department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
