Mr. Peter G. Smith
City Attorney
City of Richardson
P.O. Box 831078
Richardson, Texas 75083-1078

OR2019-31558

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 795932 (Reference No. P002756).

The Richardson Police Department (the "department") received a request for information pertaining to a specified traffic accident. You state you have released some information. You state the department has redacted dates of birth pursuant to Open Records Letter No. 2017-00069 (2017).¹ You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

¹ Open Records Letter No. 2017-00069 is a previous determination issued to the department authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without seeking a ruling from this office. *See* Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301 (a) of the Government Code).

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon our review of the submitted information, we determine the requestor provided the requisite information required by section 1701.661(a) of the Occupations Code. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the submitted video recordings consist of body worn camera recordings involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. You do not indicate you have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the department must withhold the submitted recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130(a). Accordingly, the department must withhold the motor vehicle record information you marked under section 552.130 of the Government Code.

In summary, the department must withhold the submitted recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The department must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The department must release the remaining information.²

² We note the requestor has a right of access to some of the information being released. *See Gov't Code* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning
