Ms. Katheryne Ellison
Assistant General Counsel
Houston Independent School District
4400 West 18th Street
Houston, Texas 77092-8501

OR2019-31584

Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 795054 (Reference No. W082219) (TEA ID No. 3981).

The Houston Independent School District (the "district") received a request for correspondence between a named individual and a specified entity during a defined period of time. We understand you have released some of the requested information. Although the district takes no position as to whether the submitted information is excepted under the Act, the district states release of the submitted information may implicate the interests of the Texas Education Agency (the "TEA"). Accordingly, the district states, and provides documentation showing, it notified the TEA of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the TEA. We have reviewed the submitted arguments and the submitted representative sample of information.¹

Section 552.116 of the Government Code provides the following:

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra agency and interagency communications; and

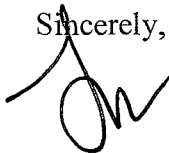

(B) drafts of the audit report or portions of those drafts.

Id. § 552.116. The TEA states the information at issue consists of audit working papers prepared or maintained TEA's Division of Governance and Investigations. The TEA further states the pending audit is authorized by section 39.057(a)(16) of the Education Code, which permits the Commissioner of Education to authorize special accreditation investigations to be conducted in response to an allegation regarding, or an analysis using, a statistical method result indicating a possible violation of an assessment instrument security procedure. *See* Educ. Code § 39.057 (listing circumstances in which the commissioner shall authorize investigations). Based on these representations and our review, we agree the submitted information consists of audit working papers for purposes of section 552.116. Accordingly, the district may withhold the submitted information under section 552.116 of the Government Code on behalf of TEA.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
