

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 8, 2019

Mr. Alexander Garcia
Assistant City Attorney
City of Corpus Christi
P. O. Box 9277
Corpus Christi, Texas 78469-9277

OR2019-31669

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 795636 (CCPD File No. RRod6).

The Corpus Christi Police Department (the "department") received a request for a specified report. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Act of May 14, 2019, 86th Leg., R.S., H.B. 1760, § 4 (to be codified at Fam. Code § 58.008(b)); *see also* Fam. Code § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Upon review, we find the submitted information involves delinquent conduct or conduct indicating a need for supervision. However, we are unable to determine the ages of the suspects listed in the submitted information. Accordingly, we must rule in the alternative. If either of the suspects at issue was ten years of age or older and under seventeen years of age at the time of the conduct at issue, then, as it does not appear any of the exceptions in section 58.008 apply, the department must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code. However, if neither of the suspects at issue was over ten years of age and under seventeen years of age at the time of the conduct, then the information does not involve juvenile conduct for purposes of section 58.008(b) of the Family Code, and no portion of the submitted information may be withheld under section 552.101 of the Government Code on that basis. Therefore, in that instance, the department must release the submitted information to this requestor.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open

¹ We note, in that instance, the requestor has a right of access to some of the information being released. *See* Gov’t Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person’s agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, the sheriff’s office must again seek a decision from this office if it receives another request for the same information from another requestor.
