OR2019-31677

Dear Mr. Carroll:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 803716 (ORR# P001321).

The Odessa Police Department (the "department") received a request for report number 190030996. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. The submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for

<sup>1</sup> We note the department did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b). Nonetheless, because the exception the department claims can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Accordingly, the requestor's statutory access under section 550.065(c) prevails and the department may not withhold the information under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. Thus, the department must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
