

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 7, 2019

Mr. Brandon Shelby
City Attorney
City of Sherman
PO Box 1106
Sherman, Texas 75091

OR2019-31694

Dear Mr. Shelby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 798950 (PIR OR-4210-SPD# 295).

The City of Sherman (the "city") received a request for information pertaining to a specified case number. You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered your arguments and reviewed the submitted information.

Initially, we note the requestor seeks police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As any body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, such information need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Because “the right of privacy is purely personal[,]” that right “terminates upon the death of the person whose privacy is invaded[.]” *Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. Civ. App.—Texarkana 1979, writ ref’d n.r.e.); *see also Justice v. Belo Broadcasting Corp.*, 472 F. Supp. 145, 147 (N.D. Tex. 1979) (“action for invasion of privacy can be maintained only by a living individual whose privacy is invaded” (quoting RESTATEMENT (SECOND) OF TORTS § 6521)); Attorney General Opinions JM-229 (1984) (“the right of privacy lapses upon death”), H-917 (1976) (“We are . . . of the opinion that the Texas courts would follow the almost uniform rule of other jurisdictions that the right of privacy lapses upon death.”); Open Records Decision No. 272 (1981) (“the right of privacy is personal and lapses upon death”). Upon review, we find you have failed to demonstrate any of the remaining information is highly intimate or embarrassing and not of legitimate public concern. Thus, none of the remaining information may be withheld under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See* Gov’t Code § 552.130. We note the purpose of section 552.130 is to protect privacy. Because the right of privacy lapses at death, motor vehicle record information that pertains solely to a deceased individual may not be withheld under section 552.130. *See Moore*, 589 S.W.2d at 491; Attorney General Opinions JM-229; H-917; ORD 272. Accordingly, with the exception of motor vehicle record information belonging solely to a deceased individual the city must withhold the motor vehicle record information contained in the remaining information under section 552.130 of the Government Code.

Section 552.136(b) of the Government Code states “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). We note the purpose of section

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470(1987).

552.136 is to protect the privacy interests of individuals. Because the right of privacy lapses at death, information that pertains solely to a deceased individual may not be withheld under section 552.136. *See Moore*, 589 S.W.2d at 491; *see also* Attorney General Opinions JM-229, H-917; ORD 272 at 1. Therefore, to the extent the credit card numbers in the remaining information pertain to accounts in which a living individual has an interest, the city must withhold them under section 552.136. However, to the extent the information at issue pertains solely to the deceased individual, the city may not withhold the information at issue under section 552.136 of the Government Code.

In summary, as any body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, such information need not be released. With the exception of motor vehicle record information belonging solely to a deceased individual the city must withhold the motor vehicle record information contained in the remaining information under section 552.130 of the Government Code. To the extent the credit card numbers in the remaining information pertain to accounts in which a living individual has an interest, the city must withhold them under section 552.136 of the Government Code. The remaining information must be released.
