

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 12, 2019

Mr. Parris Long
Open Records Coordinator
City of Dallas
1500 Marilla, 5DS
Dallas, Texas 75201

OR2019-31736

Dear Mr. Long:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 796254 (PIR Nos. C007627-081819 and C007629-081819).

The City of Dallas (the "city") received two requests from the same requestor for documentation pertaining to specified complaints against a named city employee.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code.² We have considered the exceptions you claim and reviewed the submitted representative sample of information.³

¹ We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

² We note although you raise section 552.107 of the Government Code, you make no argument to support this assertion. Therefore, we assume you have withdrawn your claim that this exception applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

³ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.103 of the Government Code provides in relevant part as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a). This office has stated a pending complaint with the Equal Employment Opportunity Commission (the "EEOC") indicates litigation is reasonably anticipated. Open Records Decision Nos. 386 at 2 (1983), 336 at 1 (1982).

The city has submitted documentation to this office showing that, before the city received the request for information, the requestor filed a complaint of discrimination against the city with the EEOC. Upon review, we find the city has demonstrated litigation was reasonably anticipated when it received the request for information. Our review of the information at issue also shows it is related to the anticipated litigation for purposes of section 552.103(a). Therefore, we agree the city may withhold the submitted information under section 552.103 of the Government Code.⁴

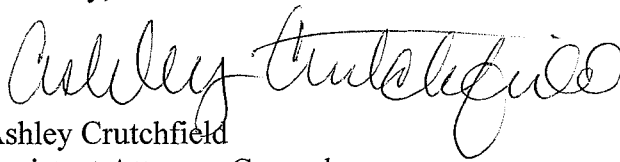

Generally, however, once the information has been obtained by all parties to the litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2 (1982); Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

⁴ As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
