ATTORNEY GENERAL OF TEXAS

Mr. Brian S. Nelson  
General Counsel  
Corpus Christi Independent School District  
P.O. Box 110

OR2019-31739

Dear Mr. Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 796644.

The Corpus Christi Independent School District (the "district") received a request for the winning proposal in request for proposals number FY19-P-0037. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of York Risk Services Group, Inc. ("York"). Accordingly, you state, and provide documentation showing, you notified York of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from York. We have considered the submitted arguments and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). A private third party may invoke this exception. *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Id.* at 841. York states it has competitors. York states release of its information would give advantage to its competitors. For many years, this office concluded the terms of a contract and especially the pricing of a winning bidder are public and generally not excepted from disclosure. Gov't Code § 552.022(a)(3) (contract involving receipt or expenditure of public funds expressly made public); Open Records Decision Nos. 541 at 8

(1990) (public has interest in knowing terms of contract with state agency), 514 (1988) (public has interest in knowing prices charged by government contractors), 494 (1988) (requiring balancing of public interest in disclosure with competitive injury to company). *See generally* Freedom of Information Act Guide & Privacy Act Overview, 219 (2000) (federal cases applying analogous Freedom of Information Act reasoning that disclosure of prices charged government is a cost of doing business with government). However, now, pursuant to *Boeing*, section 552.104 is not limited to only ongoing competitive situations, and a third party need only show release of its competitively sensitive information would give an advantage to a competitor even after a contract is executed. *Boeing*, 466 S.W.3d at 831, 839. After review of the information at issue and consideration of the arguments, we find York has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the district may withhold the submitted information under section 552.104(a) of the Government Code.<sup>1</sup>
