

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

November 13, 2019

Mr. Miguel Salinas  
Staff Attorney  
Brownsville Independent School District  
1900 Price Road  
Brownsville, Texas 78521-2417

OR2019-31909

Dear Mr. Salinas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 796764 (ORR# 8706).

The Brownsville Independent School District (the "district") received a request for information pertaining to a specified incident. The district claims the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception.

Initially, we note the United States Department of Education Family Policy Compliance Office has informed this office the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code, does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.<sup>1</sup> Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which "personally identifiable information" is disclosed. *See* 34 C.F.R. § 99.3 (defining "personally identifiable information"); *see also*

<sup>1</sup>A copy of this letter may be found on the Office of the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDO E-FERPA.pdf>.

Open Records Decision No. 224 (1979) (student's handwritten comments protected under FERPA because they would make identity of student easily traceable through handwriting, style of expression, or particular incidents related in the comments). The district asserts FERPA applies to the requested documents. Because our office is prohibited from reviewing these records to determine whether appropriate redactions under FERPA have been made, we do not address the applicability of FERPA to the requested records, except to note FERPA is not applicable to law enforcement records maintained by the district's police department (the "department") that were created by the department for a law enforcement purpose. *See* 20 U.S.C. § 1232g(a)(4)(B)(ii); 34 C.F.R. §§ 99.3, 99.8. The district represents the requested information was created for and is maintained by the department for a law enforcement purpose. Accordingly, the requested information is not subject to FERPA and it may not be withheld on that basis.

Next, we must address the district's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e)(1)(D), a governmental body must submit to this office within fifteen business days of receiving an open records request a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(D). The district received the request for information on August 19, 2019. However, as of the date of this letter, the district has not submitted a copy or representative sample of the requested information. Therefore, the district failed to comply with the procedural requirements mandated by section 552.301(e).

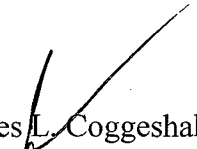

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district raises an exception to disclosure, because it has not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the district to release the requested information eased pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
