The Odessa Police Department (the "department") received a request for information pertaining to a specified vehicle accident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.[1] We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. [1] Although you do not cite section 552.101 of the Government Code in your brief, we understand you to raise this exception based upon the substance of your arguments. We note the department failed to comply with the procedural requirements of section 552.301 of the Government Code in requesting a decision from this office. *See* Gov't Code § 552.301(b), (e). Nonetheless, section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will address the applicability of this exception to the submitted information, notwithstanding the department's violation of section 552.301 in requesting this decision.

accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information consists of a CR-3 accident report that is subject to chapter 550 of the Transportation Code. In this instance, the requestor is a person listed under section 550.065(c). Thus, the department must release the submitted information in its entirety to this requestor pursuant to section 550.065(c) of the Transportation Code.
