Ms. Stephanie H. Harris
City Attorney
City of Paris
P.O. Box 9037

OR2019-32054

Dear Ms. Harris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 803653.

The City of Paris (the "city") received a request for information pertaining to a motor vehicle accident.¹ You state you will release some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we must address the city's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which

¹ As the city has not submitted a copy of the request for information, we take our description from its brief.

parts of the documents. *Id.* § 552.301(e). You state the city received the request for information on September 13, 2019. As of this date, you have not submitted to this office a copy of the written request for information at issue. Accordingly, we conclude the city failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because sections 552.101 and 552.130 can provide compelling reasons to overcome the presumption of openness, we will address your arguments under these sections for the submitted information. However, we find you have failed to establish a compelling reason to address your remaining exception.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the city must withhold the public citizens' dates of birth you marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, with the exception of the information we marked for release, the city must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. Upon review, however, we find the information we marked for release does not consist of motor vehicle record information subject to section 552.130 of the Government Code. Therefore, the city may not withhold the information we marked for release under section 552.130.

In summary, the city must withhold the public citizens' dates of birth you marked under section 552.101 of the Government Code in conjunction with common-law privacy. With the exception of the information we marked for release, the city must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The city must release the remaining information.
