Dear Ms. Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 795604.

The Cedar Hill Independent School District (the "district"), which you represent, received a request for two categories of information pertaining to a named former employee. You state the district does not have information responsive to one category of the request.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.² We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code §552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 21.062 of the Education Code. Section 21.062 provides, in relevant part:

¹ The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

² We note, and you acknowledge, the district did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

(a) During an investigation by the commissioner for an alleged incident of misconduct, the commissioner may issue a subpoena to compel:

...

(2) the production, for inspection or copying, of relevant evidence that is located in this state.

...

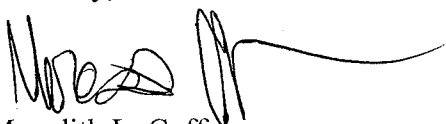

(d) All information and materials subpoenaed or compiled in connection with an investigation described by Subsection (a) are confidential and not subject to disclosure under [the Act].

Educ. Code § 21.062(a)(2), (d); *see id.* §§ 5.001(3) (“Commissioner” means the commissioner of education), 21.001(1) (“Commissioner” includes a person designated by the commissioner). The district states the submitted information was subpoenaed or compiled in an investigation of an educator under section 21.062 of the Education Code. The district informs us the information was submitted to the Texas Education Agency in response to a subpoena issued by the commissioner. Based upon the district’s representations and our review, we agree the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.062(d) of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
