Ms. Lola Dada-Olley
Assistant City Attorney
City of Plano
P.O. Box 860358
Plano, Texas 75086-0358

OR2019-32484

Dear Ms. Dada-Olley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 797274 (Plano File No. PUR-R001443).

The City of Plano (the "city") received a request for multiple categories of information, including the complete bid proposal, pertaining to a specified bid. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of numerous third parties. Accordingly, you state, and provide documentation showing, the city notified these third parties of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from Maldonado-Burkett, LLC ("MB") and Stantec Consulting Services Inc. ("Stantec"). We have considered the submitted arguments and reviewed the submitted information.

Initially, we note you have not submitted information responsive to the portion of the request seeking the complete bid proposal. To the extent any information responsive to this portion of the request existed on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we note MB and Stantec only seek to withhold information not submitted to this office by the city. By statute, this office may only rule on the public availability of information submitted by the governmental body requesting the ruling. *See* Gov't Code § 552.301(e)(1)(D) (governmental body requesting decision from Attorney General must submit copy of specific information requested). Because this information was not submitted by the city and is not responsive to the request, this ruling does not address the information and is limited to the information submitted as responsive by the city.

Next, we note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the remaining third parties explaining why the submitted information should not be released. Therefore, we have no basis to conclude any of these third parties has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the submitted information on the basis of any proprietary interest any of the remaining third parties may have in it.

Section 552.136 of the Government Code provides, "Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential."¹ Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the city must withhold the insurance policy numbers within the submitted information under section 552.136 of the Government Code.

We note some of the remaining information at issue appears to be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the city must withhold the submitted insurance policy numbers under section 552.136 of the Government Code. The city must release the remaining information;

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

however, the city may only release any information subject to copyright in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
