

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 20, 2019

Mr. Alexander Garcia
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2019-32864

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 798380 (ORR# 1044).

The City of Corpus Christi (the "city") received a request for the complete file related to a specified crash. We understand the city will redact dates of birth of members of the public pursuant to the previous determination issued in Open Records Letter No. 2016-00831 (2016).¹ The city states it is releasing some of the requested information. The city argues some of the submitted information does not consist of public information subject to the Act. The city claims the remaining information is excepted from disclosure under section 552.101 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

¹ Open Records Letter No. 2016-00831 authorized the city to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision. *See* Open Records Decision No. 673 at 7-8 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, the city states some of the remaining information consists of grand jury subpoenas and information obtained pursuant to grand jury subpoenas. The Act applies only to information that is “written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business . . . by a governmental body[.]” Gov’t Code § 552.002(a)(1). The judiciary is expressly excluded from the requirements of the Act. *Id.* § 552.003(1)(B). This office has determined for purposes of the Act, a grand jury is a part of the judiciary and therefore not subject to the Act. *See* Open Records Decision No. 411 (1984). Further, records kept by a governmental body that is acting as an agent for a grand jury are considered records in the constructive possession of the grand jury, and are also not subject to the Act. *See* Open Records Decisions Nos. 513 (1988), 411, 398 (1983). The city states some of the submitted information “constitutes judicial records in constructive possession of the grand jury.” Thus, to the extent the city holds the submitted information solely as an agent of the grand jury, such information consists of records of the judiciary that are not subject to disclosure under the Act and the city is not required to release that information in response to the instant request. To the extent the city holds the information at issue in its own capacity and not solely as an agent of the grand jury, we will address the city’s argument against its disclosure.

Section 552.101 of the Government Code exempts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See id.* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. *See* Gov’t Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or

another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F, of the Government Code. Upon review, we find a portion of the submitted information, which we have marked, consists of CHRI that is confidential under section 411.083. Thus, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is excepted from required public disclosure under common-law privacy. *See, e.g.*, Open Records Decision Nos. 545 (1990) (common-law privacy protects mortgage payments, assets, bills, and credit history), 523 (1989) (common-law privacy protects credit reports, financial statements, and other personal financial information). Upon review, we find some of the submitted information, which we have marked, satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find the city has not demonstrated any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the city may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

We note some of the remaining information is subject to sections 552.130 and 552.136 of the Government Code.² Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, "Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance

² The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

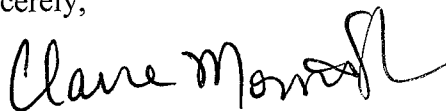

policy numbers are access device numbers for purposes of section 552.136. Accordingly, the city must withhold the insurance policy number we marked under section 552.136 of the Government Code.

In summary, the submitted body worn camera recording was not properly requested pursuant to chapter 1701 of the Occupations Code and it need not be released. To the extent the city holds the remaining information solely as an agent of the grand jury, such information consists of records of the judiciary that are not subject to disclosure under the Act and the city is not required to release that information in response to the instant request. To the extent the city holds the information at issue in its own capacity and not solely as an agent of the grand jury, the city must (1) withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code; (2) withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy; (3) withhold the motor vehicle record information we marked under section 552.130 of the Government Code; (4) withhold the insurance policy number we marked under section 552.136 of the Government Code; and (5) release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
