OR2019-32906

Dear Ms. Stack:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 797890 (Reference No. 19-09-15).

The Brenham Police Department (the "department") received a request for information pertaining to a specified case involving a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

[chapter 261 of the Family Code] and the identity of the person making the report; and

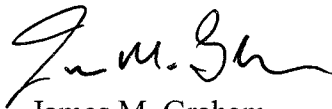

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under [chapter 261 of the Family Code] or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You assert the submitted information was used or developed in an investigation under chapter 261. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of section 261.201 as a person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Upon review, we find the information at issue is within the scope of section 261.201(a) of the Family Code. As you do not indicate the department has adopted a rule that governs the release of this type of information, we assume no such regulation exists. Given that assumption, we conclude the department must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.² *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

James M. Graham
Assistant Attorney General
Open Records Division

JMG/mo

² As our ruling is dispositive, we need not address the remaining argument against disclosure of the submitted information. Additionally, although the requestor is a representative of the Texas Health and Human Services Commission, she does not indicate she has a right of access to this information under state or federal law. *See* Open Records Decision Nos. 598 (1991), 583 (1990), 451 (1986).
