

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 25, 2019

Mr. Thomas Wilson
Assistant Criminal District Attorney
Smith County
100 North Broadway, 4th Floor
Tyler, Texas 75702

OR2019-33345

Dear Mr. Wilson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 798528.

The Smith County Sheriff's Office (the "sheriff's office") received a request for two specified policies. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably

anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You inform us, and have provided documentation demonstrating, litigation styled *Parker v. Smith County*, Civil Action No. 6:19-cv-0212, was pending in the Eastern District of Texas, Tyler Division, on the date the sheriff's office received the request. You further explain the submitted information is related to the pending lawsuit because the records sought relate to the policies that were applicable during the incident that resulted in litigation. Based on your representations, the submitted documentation, and our review of the submitted information, we find litigation was pending when the sheriff's office received this request for information, and we find the submitted information is related to the pending litigation for purposes of section 552.103. Therefore, the sheriff's office may withhold the submitted information under section 552.103 of the Government Code.

We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to that litigation to obtain it through discovery procedures. *See* ORD 551 at 4-5. Thus, if the opposing party has seen or had access to information relating to the pending litigation through discovery or otherwise, there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320 (1982). We also note the applicability of section 552.103 ends once the litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable
