

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 26, 2019

Mr. John B. Strong
Assistant City Attorney
City of Fort Worth
200 Texas Street, Third Floor
Fort Worth, Texas 76102

OR2019-33401

Dear Mr. Strong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 798669 (PIR No. W090863).

The Fort Worth Police Department (the "department") received a request for all information related to a named individual. You state the department has released some information, including criminal history record information ("CHRI") pursuant to section 411.087(a)(2) of the Government Code. *See* Gov't Code § 411.087(a)(2) (entity authorized by chapter 411, subchapter F of Government Code to obtain CHRI maintained by the Texas Department of Public Safety ("DPS") that relates to another person is authorized to obtain CHRI from any other criminal justice agency in this state that relates to the person); *see also id.* § 411.089 (criminal justice agency entitled to obtain from DPS any CHRI maintained by DPS about a person). You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Initially, we must address the obligations of the department under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The department received the request for information on August 28, 2019. We understand the department was closed on September

2, 2019. Accordingly, the ten-business-day deadline for requesting a ruling from this office was September 12, 2019. However, the envelope in which the department submitted to this office the information required by section 552.301(b) was postmarked September 19, 2019. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the department failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). You state the Tarrant County District Attorney's Office (the "district attorney's office") objects to the release of the submitted information under section 552.108 of the Government Code. Therefore, we will consider whether the department may withhold the submitted information under section 552.108 of the Government Code on behalf of the district attorney's office. Additionally, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this exception to the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the department. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. The department does not indicate it has adopted a rule that governs the release of this type of information and therefore we assume no such regulation exists. Given that assumption, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.¹ *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
