Ms. M. L. Calcote  
Assistant General Counsel  
Texas Department of Public Safety  
P.O. Box 4087  
Austin, Texas 78773-0001

OR2019-33455

Dear Ms. Calcote:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 798279 (ORR Nos. 19-3938, 19-4077, & 19-4836).

The Texas Department of Public Safety (the "department") received three requests from different requestors for investigations and other information related to a named trooper. The department states it is releasing some of the requested information. The department claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information. We have also received and considered comments from one of the requestors. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information other statutes make confidential. Section 411.00755 of the Government Code states in pertinent part:

(b) The personnel records of a commissioned officer of the department may not be disclosed or otherwise made available to the public, except the department shall release in accordance with Chapter 552:

(1) any letter, memorandum, or document relating to:

...

(B) misconduct by the officer, if the letter, memorandum, or document resulted in disciplinary action[.]

*Id.* § 411.00755(b). Section 411.00755 defines a personnel record, in part, as “any letter memorandum, or document maintained by the department that relates to a commissioned officer of the department[.]” *Id.* § 411.00755(a). For the purpose of section 411.00755, “disciplinary action” means discharge, suspension, or demotion. *Id.* § 411.0072(a)(1).

The department states the submitted information is related to a complaint against and investigation of a commissioned officer of the department, and states the investigation has not resulted in disciplinary action against the officer. Thus, the department contends the submitted information consists of the personnel records of the officer at issue. However, we note the submitted information consists of records pertaining to a criminal investigation by the department. The present requests do not specifically seek an officer’s personnel records. Because the requestors generally seek investigations pertaining to the named officer, investigatory materials the department maintains for law enforcement purposes are responsive to the requests. The department may not engraft the confidentiality afforded to personnel records under section 411.00755(b) to records that exist independently of the personnel records. Accordingly, the submitted information is not confidential under section 411.00755(b) and it may not be withheld under section 552.101 on that basis. However, we will consider the department’s remaining argument against release of the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the submitted information pertains to an active criminal investigation or prosecution. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
