

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 26, 2019

Ms. Deanne Lin
Assistant County Attorney
Harris County
1019 Congress, 15th Floor
Houston, Texas 77002

OR2019-33464

Dear Ms. Lin:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 798572 (CA File No. 19PIA0714)

The Harris County Engineering Department (the "county") received a request for four categories of information pertaining to a specified road project. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note a portion of the submitted information, which we have marked, is not responsive to the instant request because it was created after the date the request was received. The county need not release nonresponsive information in response to this request, and this ruling will not address that information.

Next, we note you only submitted a letter from the requestor for our review. Thus, to the extent any additional responsive information existed when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

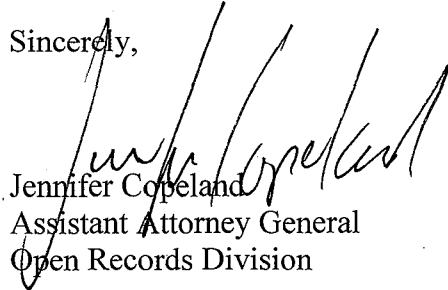

You state the county anticipates litigation pertaining to the eminent domain seizure of property owned by the requestor's client. We note the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information related to litigation through the discovery process. *See* ORD 551 at 4-5. Thus, any information obtained from or provided to all other parties in the anticipated or pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. We note the responsive information was received from the potential opposing party in the anticipated litigation at issue. Therefore, the county may not withhold the responsive information under section 552.103(a) of the Government Code. The county must release the submitted responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->
