ATTORNEY GENERAL OF TEXAS

Mr. Robert Carroll
Senior Assistant City Attorney
City of Odessa
P.O. Box 4398
Odessa, Texas 79760-4398

OR2019-33811

Dear Mr. Carroll:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 807391 (Reference #R000708-101819).

The City of Odessa (the "city") received a request for a specified vehicle accident report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall

¹ Although you do not cite section 552.101 of the Government Code in your brief, we understand you to raise this exception based upon the substance of your arguments. Additionally, we note the city failed to comply with the procedural requirements of section 552.301 of the Government Code in requesting a decision from this office. *See* Gov't Code § 552.301(b). Nonetheless, section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will address the applicability of this exception to the submitted information, notwithstanding the city's violation of section 552.301 in requesting this decision.

release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information consists of a CR-3 accident report that is subject to chapter 550 of the Transportation Code. We are unable to determine whether the requestor is a person listed under section 550.065(c). Thus, we must rule conditionally. If the requestor is not a person listed under section 550.065(c), then the submitted CR-3 accident report is confidential under section 550.065(b). However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (c)(2). *Id.* Therefore, if the requestor is not a person listed under section 550.065(c) of the Transportation Code, then the city must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. If the requestor is a person listed under section 550.065(c), then the city must release the submitted information in its entirety pursuant to section 550.065(c) of the Transportation Code. *See id.* § 550.065(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
