City of Odessa

OR2019-33817

Dear Mr. Carroll:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 806219 (Reference #P001566-102319).

The Odessa Police Department (the "department") received a request for information pertaining to a specified vehicle accident involving the requestor's client. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code.<sup>1</sup> We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information consists of a CR-3 accident report that is subject to chapter 550 of the Transportation Code. In this instance, the requestor is a person listed under section

---

<sup>1</sup> Although you do not cite section 552.101 of the Government Code in your brief, we understand you to raise this exception based upon the substance of your arguments.

550.065(c). You assert section 552.130 of the Government Code for the motor vehicle record information contained in the submitted information. Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by an agency of this state or another state or country. *See* Gov't Code § 552.130(a)(1)-(2). A statutory right of access generally prevails over the Act's general exceptions to disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). However, because section 552.130 has its own access provisions, we conclude section 552.130 is not a general exception under the Act. Thus, we must address the conflict between the confidentiality provided under section 552.130 of the Government Code and the right of access provided under section 550.065(c) of the Transportation Code for the accident report. Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) ("more specific statute controls over the more general"); *Cuellar v. State*, 521 S.W.2d 211 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific statutory provisions prevail over general ones); Open Records Decision Nos. 598 (1991), 583 (1990), 451. Section 550.065(c) specifically provides access only to accident reports of the type at issue, while section 552.130 generally excepts motor vehicle record information maintained in any context. Thus, we conclude the access to accident report provided under section 550.065(c) is more specific than the general confidentiality provided under section 552.130. Accordingly, the department may not withhold the motor vehicle information at issue under section 552.130. Thus, the department must release the submitted information to the requestor in its entirety pursuant to section 550.065(c) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
