Mr. R. Brooks Moore  
Deputy General Counsel  
The Texas A&M University System  
301 Tarrow Street, 6th Floor

OR2019-33824A

Dear Mr. Moore:

Our office issued Open Records Letter No. 2019-33824 (2019) on December 3, 2019. We have examined our letter and determined that there was an error. Where this office determines an error was made in the decision process under sections 552.301 and 552.306 of the Government Code, and that error resulted in an incorrect decision, we will correct the previously issued letter. Consequently, this decision serves as the corrected ruling and is a substitute for the decision issued on December 3, 2019. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act")). Your request was assigned ID# 799659 (PIR No. C001733-082419).

The Texas A&M University System (the "system") received a request for information pertaining to a specified location. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Brookshire Brothers, Inc. ("Brookshire"). Accordingly, you state, and provide documentation showing, you notified Brookshire of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Brookshire explaining why the submitted information

should not be released. Therefore, we have no basis to conclude it has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the system may not withhold any portion of the submitted information related to Brookshire on the basis of any proprietary interest it may have in the information. As you raise no exceptions, the system must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Ashley Crutchfield  
Assistant Attorney General
