Dear Ms. Olson:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 800329.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You state you have released basic information pursuant to section 552.108(c) of the Government Code and claim the remaining information may be withheld from the requestor pursuant to section 552.108(a)(2) of the Government Code. Upon review of your arguments and the remaining information, we conclude you may withhold the remaining information under section 552.108(a)(2).
