

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

December 5, 2019

Mr. Omar Ochoa  
City Attorney  
City of Edinburg  
P.O. Box 1079  
Edinburg, Texas 78540-1079

OR2019-34279

Dear Mr. Ochoa:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 800039 (PIR No. 08-559-19).

The City of Edinburg (the "city") received a request for the personnel file of a named individual. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). Some of the submitted information consists of completed evaluations that are subject to section 552.022(a)(1). The city must release the information at issue pursuant to section 552.022(a)(1) unless it is excepted from disclosure under

section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.103 of the Government Code for the submitted information, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the information subject to section 552.022(a)(1) may be withheld under section 552.103. However, we will consider your arguments under section 552.103 of the Government Code for the information not subject to section 552.022(a)(1) of the Government Code.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

The city states, and provides documentation showing, a lawsuit styled *Garza v City of Edinburg*, Cause No. 7:18-CV-00267, was pending against the city in the United States District Court for the Southern District of Texas, when it received the instant request for information. You state the remaining information is related to the pending lawsuit. Based on your representations, the remaining documentation, and our review of the remaining information, we find litigation was pending when the city received this request for

information, and the remaining information is related to the pending litigation for the purposes of section 552.103. Therefore, the city may withhold the remaining information under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

In summary, the city must release the completed evaluations pursuant to section 552.022(a)(1) of the Government Code, but may withhold the remaining information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
