Deputy City Clerk
City of Wichita Falls
P.O. Box 1431

OR2019-34672

Dear Ms. Ham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 800703 (City ID# 918).

The City of Wichita Falls (the "city") received two requests for information related to five specified cases involving a named individual. The city states it is releasing some information related to the submitted report. The city claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Initially, we note the city submitted information related to only one police report. To the extent any additional information responsive to the request existed on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The city states the submitted information relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
