

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 10, 2019

Ms. Mary E. Miller
Assistant District Attorney
Denton County Sheriff's Office
127 North Woodrow Lane, Suite 300
Denton, Texas 76205

OR2019-34694

Dear Ms. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 807421 (ORR# S002682-102919).

The Denton County Sheriff's Office (the "sheriff's office") received a request for specified video recordings. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution . . . if: (1) release of the internal record or notation would interfere with law enforcement or prosecution[.]" Gov't Code § 552.108(b)(1). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *See City of Fort Worth*, 86 S.W.3d at 327. To prevail on its claim that subsection 552.108(b)(1) excepts information from disclosure, a governmental body must do more than merely make a conclusory assertion that releasing the information would interfere with law enforcement. Instead, the governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. *See Open Records Decision No. 562 at 10 (1990) (construing statutory predecessor)*. This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g., Open Records Decision Nos. 531 (1989) (release of detailed use of force guidelines would unduly interfere with law enforcement)*,

252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You state the release of the submitted surveillance video recordings would reveal details of the operations and layout of the Denton County Jail. You state release of the submitted video recordings “could jeopardize the personal safety and security of law enforcement officers[.]” Based upon your representations and our review, we agree the release of the submitted surveillance video recordings would interfere with law enforcement. Accordingly, the sheriff’s office may withhold the submitted surveillance video recordings under section 552.108(b)(1) of the Government Code.¹
