Dear Ms. Doshier:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 809292.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the information marked as "552.108" may be withheld from the requestor pursuant to section 552.108(a)(2) of the Government Code. Upon review of your arguments and the information, we conclude you may withhold the information marked as "552.108" under section 552.108(a)(2). We agree you may withhold the social security number(s) under section 552.147 of the Government Code.
