Mr. Christopher K. Austria
Assistant City Attorney
City of Fort Worth

Fort Worth, Texas 76102

OR2019-34998

Dear Mr. Austria:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 809603 (City PIR No. W093268).

The City of Fort Worth (the "city") received two requests from the same requestor for information related to a specified animal. You state you will release some information to the requestor. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses section 826.0311 of the Health and Safety Code, which states, in part, the following:

- (a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under [the Act]. The information contained in the registry may not include the social security number or the driver's license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under [the Act], and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). You state the submitted information was generated from the city's pet registry. Upon review, we agree the information you have marked identifies or tends to identify the owner of a registered dog or cat for purposes of section 826.0311(a). Therefore, the city must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 826.0311 of the Health and Safety Code. As you raise no further exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
