

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 11, 2019

Mr. Thomas Royce Hanson
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor
Fort Worth, Texas 76102-6311

OR2019-35000

Dear Mr. Hansen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 800784 (W091076).

The City of Fort Worth (the "city") received a request for fourteen categories of information pertaining to a specified traffic accident involving the requestor's client. The city states it has released some information to the requestor. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the city's claimed exception and reviewed the submitted information.

The submitted information consists of a peace officer's body worn camera recordings. Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) of the Occupations Code provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor provided the information required by section 1701.661(a) for release of the body worn camera recordings at issue. We note, however, section 1701.661(f) provides:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the video recordings at issue consist of body worn camera recordings involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You further state the city does not have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the city must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

The city asks this office to issue a previous determination that would permit it to withhold body worn camera recordings subject to section 1701.661(f) of the Occupations Code under section 552.101 of the Government Code without the necessity of requesting a decision form this office. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Sean McCormick
