

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 12, 2019

Ms. Steven R. Bird
City Attorney for the City of Childress
Law Offices of Bird & Bird
P.O. Box 1257
Childress, Texas 79201-1257

OR2019-35043

Dear Mr. Bird:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 801276.

The Childress Police Department (the "department"), which you represent, received a request for specified information pertaining to department employees who carried out a specified task during a specified time period. You seek to withhold the requested information. We have considered your arguments.

We must address the city's obligations under section 552.301 of the Government Code when requesting a decision from this office under the Act. Pursuant to section 552.301(b), within ten business days after receiving a written request the governmental body must request a ruling from this office and state the exceptions to disclosure that apply. *See* Gov't Code § 552.301(b). Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request: (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). You state the department received the request for information on September 24, 2019. However, as of the date of this letter, you have not claimed any exceptions to disclosure, nor have you submitted a copy or representative sample of the requested

information. Accordingly, we conclude the department failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). As previously noted, the department has raised no exceptions to disclosure. Further, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure or confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Meredith L. Coffman
Assistant Attorney General
Open Records Division
