OR2019-35863

Dear MS. Brooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 802926 (ORR# P001326).

The City of Odessa (the "city") received a request for information pertaining to a specified accident. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the claimed exception and reviewed the submitted information.

Initially, we note the city only submitted a CR-3 accident report. We assume, to the extent any additional responsive information existed when the city received the request for information, the city has released it. If not, then the city must do so immediately. *See* Gov't Code §§ 552.006, .301, .302; Open Records Decision No. 664 (2000).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental

entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

We are unable to determine whether the requestor is a person listed under section 550.065(c). Thus, we must rule conditionally. If the requestor is a person listed under section 550.065(c) of the Transportation Code, then the city must release the CR-3 accident report pursuant to section 550.065(b) of the Transportation Code. If the requestor is not a person listed under section 550.065(c), then the city must withhold the report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. Nevertheless, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, if the requestor is not a person listed under section 550.065(c), then the city must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
