Mr. Jeremy R. Page
Counsel for the City of Lancaster
Brown & Hofmeister, L.L.P.

OR2019-35892

Dear Mr. Page:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 802346 (W13759).

The City of Lancaster (the "city"), which you represent, received a request for all records for animals brought into the city's shelter during a specified time period. You state the city will release some information to the requestor. You claim a portion of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 826.0211 of the Health and Safety Code, which provides, in part:

(a) Information contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained in the certificate or record may not include the social security number or the driver's license number of the owner of the vaccinated animal.

Health & Safety Code § 826.0211(a). Section 826.0211 applies only to information contained in a rabies vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. Upon review, we find you have failed to demonstrate any portion of the submitted information is contained in a rabies

vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. Therefore, the submitted information may not be withheld under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the driver's license information under section 552.130 of the Government Code.

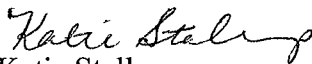

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c).¹ *See id.* § 552.137(a)-(c). The e-mail addresses at issue are not excluded by subsection (c). Therefore, the city must withhold the personal e-mail addresses we marked under section 552.137 of the Government Code, unless the owners affirmatively consent to their public disclosure.

In summary, the city must withhold the driver's license information under section 552.130 of the Government Code. The city must withhold the personal e-mail addresses we marked under section 552.137 of the Government Code, unless the owners affirmatively consent to their public disclosure. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
