

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 7, 2020

Ms. June B. Harden
Assistant Attorney General
Assistant Public Information Coordinator
Office of the Attorney General
P.O. Box 12548
Austin, Texas 78711-2548

OR2020-00220A

Dear Ms. Harden:

Our office issued Open Records Letter No. 2020-00220 (2020) to the Office of the Attorney General (the "OAG") on January 3, 2020. Since that date, we have received new information that affects the facts on which this ruling was based. Consequently, this decision serves as the correct ruling and is a substitute for the decision issued on January 3, 2020. *See generally* Gov't Code § 552.011 (providing that this office may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act"), chapter 552 of the Government Code). This ruling was assigned ID# 822051 (PIR Nos. R002520 & R002552).

The OAG received two requests for information pertaining to a specified arrest. The OAG states it released basic information in accordance with section 552.108(c) of the Government Code. *See id.* § 552.108(c). The OAG claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection,

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The OAG states the submitted information relates to an active criminal investigation being conducted by the OAG’s Criminal Investigations Division. The OAG asserts release of the information at issue would interfere with the OAG’s current law enforcement interests. Based on the OAG’s representations, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), writ ref’d n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976). Accordingly, the OAG may withhold the information at issue under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Matthew Taylor
Assistant Attorney General
Open Records Division
