

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 7, 2020

Ms. Deanne Lin
Assistant County Attorney
Harris County
1019 Congress, 15th Floor
Houston, Texas 77002

OR2020-00582

Dear Ms. Lin:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 804653 (C.A. File No. 19PIA0767).

The Harris County Purchasing Agent (the "county") received a request for three categories of information pertaining to a specified bid. Although the county takes no position as to whether the submitted information is excepted under the Act, the county states release of the submitted information may implicate the proprietary interests of Avertest, LLC d/b/a Averhealth ("Averhealth"). Accordingly, the county states, and provides documentation showing, it notified Averhealth of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Averhealth explaining why the submitted information should not be released. Therefore, we have no basis to conclude Averhealth has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990)

(party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the county may not withhold the submitted information on the basis of any proprietary interest Averhealth may have in the information.

Section 552.136 of the Government Code provides, “Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the county must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code. The county must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
