Dear Ms. Vega:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 805258.

Cameron County (the "county") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the remaining information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov’t Code § 552.022(a)(1). The remaining information consists of a completed investigation that is subject to section 552.022(a)(1). The county must release the completed investigation pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* The county seeks to withhold the remaining information under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov’t Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the county may not withhold the remaining information under section 552.103 of the Government Code. However, because sections 552.1175 and 552.130 of the Government Code make information confidential under the Act, we will consider the applicability of these sections to the information at issue.¹

Section 552.1175 of the Government Code excepts from disclosure the home address, home telephone number, emergency contact information, date of birth, social security number, and family member information of certain individuals, when that information is held by a governmental body in a non-employment capacity and the individual elects to keep the information confidential. Gov’t Code § 552.1175. Section 552.1175 applies, in part, to “peace officers as defined by Article 2.12, Code of Criminal Procedure[.]” *Id.* §

¹ The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

552.1175(a)(1). We note some of the remaining information pertains to a peace officer and is not held in an employment capacity by the county. To the extent the peace officer elects to restrict access to the information we have indicated in accordance with section 552.1175(b), the county must withhold the indicated information under section 552.1175 of the Government Code. To the extent the peace officer whose information is at issue does not elect to restrict access to the information at issue in accordance with section 552.1175(b), the county may not withhold the information we indicated under section 552.1175 of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See id.* § 552.130. Accordingly, the county must withhold the motor vehicle record information we indicated under section 552.130 of the Government Code.

In summary, the submitted body worn camera recordings were not properly requested pursuant to chapter 1701 of the Occupations Code and they need not be released. To the extent the peace officer elects to restrict access to the information we have indicated in accordance with section 552.1175(b) of the Government Code, the county must withhold the indicated information under section 552.1175 of the Government Code. The county must withhold the motor vehicle record information we indicated under section 552.130 of the Government Code. The county must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
