

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 13, 2020

Mr. Neal Barker
Board Member
Northeast Texas Rural Rail Transportation District
208 Highway 37 South
Mount Vernon, Texas 75457

OR2020-01237

Dear Mr. Barker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 806303.

The Northeast Texas Rural Rail Transportation District (the "district") received two requests from the same requestor for information pertaining to proposals presented at a specified meeting and documents pertaining to a specified project. You claim the requested information is excepted from disclosure under sections 552.103 and 552.131 of the Government Code. You also state, and provide documentation demonstrating, you notified Captra Capital, LLC and The Blacklands Railroad of the requests for information and of their right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the exceptions you raise.

We must address the district's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to subsection 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). The district received the requests for information on October 9, 2019. Accordingly, you were required to provide the information required by subsection 552.301(e) by October 30, 2019. As of the date of

this letter, you have not submitted for our review comments stating the reasons why the claimed exceptions apply or a copy or representative sample of the information requested. Consequently, we find the district failed to comply with the requirements of section 552.301 in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
