Re: Request for City ID: 17996

Dear Ms. Brown:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 812662.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code for some of the body worn camera recordings at issue. As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You state you have released basic information pursuant to section 552.108(c) of the Government Code and claim the information marked as "552.108" and the remaining recordings may be withheld from the requestor pursuant to section 552.108(a)(1) of the Government Code. Upon review of your arguments and the information, we conclude you may withhold the information marked as "552.108" and the remaining recordings under section 552.108(a)(1). We agree you must withhold the marked motor vehicle record information in accordance with section 552.130 of the Government Code. Lastly, you must withhold the marked date of birth pursuant to section 552.101 of the Government Code in conjunction with common-law privacy. *Paxton v.
