Ms. Sandra D. Carpenter  
General Counsel  
Round Rock Independent School District  
1 Chisholm Trail, Suite 400  
Round Rock, Texas 78681

OR2020-01431

Dear Ms. Carpenter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 806403 (TPIA 2020-187).

The Round Rock Independent School District (the "district") received a request for video recordings of a specified incident on school property. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act (the "HSA"). Section 418.182(a) of the Government Code provides, in part, the following:

[I]nformation . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

*Id.* § 418.182(a). The fact that information may be related to a security system does not make the information *per se* confidential under section 418.182. See Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its

protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The information at issue consists of security camera video recordings from one of the district's high schools. You state the video recordings at issue reveal the location, specifications, and operating procedures of a security system used to protect the high school, which is public property, from acts of terrorism or criminal activities.

Based upon these representations and our review of the information at issue, we conclude you have demonstrated the submitted information falls within the scope of section 418.182(a). Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.<sup>1</sup> *See generally* *Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (case construing section 418.182 of the HSA, which ruled recorded images necessarily relate to specifications of security system that recorded them).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Deborah Southerland
