

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 17, 2020

Mr. Joseph Behnke
Assistant General Counsel
Office of the Governor
Post Office Box 12428
Austin, Texas 78711

OR2020-01724

Dear Mr. Behnke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 806606 (OOG ID# 442-19).

The Office of the Governor (the "governor's office") received a request for records related to Austin, Texas census tracts. Although the governor's office takes no position as to whether the submitted information is excepted under the Act, the governor's office states release of the submitted information may implicate the proprietary interests of interested third parties. Accordingly, the governor's office states, and provides documentation showing, it notified these parties of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from the notified third parties explaining why the submitted information should not be released. Therefore, we have no basis to conclude the notified third parties have a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial

information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the governor's office may not withhold the submitted information on the basis of any proprietary interest the notified third parties may have in the information. As no exceptions to disclosure have been raised, the governor's office must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
