

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

January 22, 2020

Ms. Sara Casares  
Office Specialist  
Edinburg Police Department  
1702 South Closner Boulevard  
Edinburg, Texas 78539

OR2020-01951

Dear Ms. Casares:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 807246 (ORR# 132163).

The Edinburg Police Department (the "department") received a request for four specified incident reports. The department claims some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Initially, we note the department has not submitted information related to incident number 19-48550. To the extent any such information existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The department received the request for information on October 21, 2019. The department does not inform us it was closed for any business days between October 21, 2019, and November 4, 2019. Accordingly, the department was required to provide the information required by section 552.301(b) by November 5, 2019. However, the envelope in which the department provided the information required by section 552.301(b) was postmarked November 6, 2019. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of

documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the department failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will address the applicability of these exceptions to the submitted information.<sup>1</sup> However, we find the department has failed to establish a compelling reason to address its claimed exception.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Report number 2019-00052132 involves a juvenile offender, so as to fall within the scope of section 58.008(b). It does not appear any of the exceptions in section 58.008 apply. Accordingly, the department must withhold report number 2019-

<sup>1</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

00052132 under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the department must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130. Accordingly, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the department must withhold report number 2019-00052132 under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code. The department must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
