

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 24, 2020

Mr. Matthew Murray
Assistant City Attorney
City of Fort Worth
200 Texas Street, Third Floor
Fort Worth, Texas 76102

OR2020-02244

Dear Mr. Murray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 807924 (ORR# W092956).

The City of Fort Worth (the "city") received a request for information related to a specified incident, including information about specified threats, who monitors for and investigates such threats, and additional police staffing to manage required to manage the incident. The city claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Initially, we note some of the submitted information, which we have marked, is not responsive to the instant request for information because it was created after the date the city received the instant request for information. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983). This ruling does not address the public availability of any information that is not responsive to the request and the city is not required to release such information in response to this request.

Next, we note the responsive information is subject to section 552.022 of the Government Code. Section 552.022 provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The responsive information consists of information in an account, contract, or voucher relating to the receipt or expenditure of funds by the city that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* The city seeks to withhold the responsive information under section 552.108 of the Government Code. However, section 552.108 is discretionary in nature and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Therefore, the city may not withhold the responsive information under section 552.108 of the Government Code. The city must release the responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
